

English

Please continue to encourage your child to get into good habits with their reading. We will begin this term by looking at narrative writing by reading 'How to train your dragon'. The children will then be studying information texts by creating their own informative poster. Throughout the term, we will be practising discussing our views about books and others texts and the children will be learning to share their ideas and justify their opinions. In guided reading will be getting to grips with the author's use of language and illustration for effect in 'The Promise. We will be developing our decoding,

French

In French we will be learning the numbers 10-100 and will be talking about our likes and dislikes.

PE

This term we are learning to play Netball and creating dance routines.

Science

This term we are learning about Forces and Magnets. We will observe how magnets attract and repel and carry out some experiments to identify some magnetic materials. Later in the term we will learn about friction and compare how objects move on different surfaces.

Conifer Class

Spring term

2018

Anglo Saxons

History and Geography

This term we will be learning about the Anglo Saxons. We will explore why the Saxons invaded and where they settled. Next, we will discover what Saxon life was like and find out about the justice system.

Later in the term we will learn about settlements and what the parts of land were used for.

Maths

We will be working hard to improve our skills in perimeter and area of shapes. We will also be practising working with time and money. Please ensure that your child is practising their KIRFS (Key Instant Recall Facts) and times tables regularly.

Visitors

We will spend a day taking part in an Anglo-Saxon workshop where we will learn more about Saxon life, society and weaponry!

Art/DT

We will learn how shading can be used to create mood and feeling. We will have a go at creating paintings that express our emotions. Later in the term, we will design, create and evaluate a moving model.

PSHE

We will be considering how to face new challenges and pressures. We will also learn how to keep safe outside of school.

Music

This term we are continuing to learn to play a variety of tunes as part of the Listen2Me programme.

RE

We will be learning about the value of myths. We will also consider the importance of law.

Computing

This term the children will be thinking about internet safety and learning to use spreadsheets.
