

Brownie World Thinking Day

22 February 2016

Our Brownies came to school in their Brownie Uniforms today, as part of 'World Thinking Day'.

Thinking day is one of the most significant dates in the girl guiding calendar. On this day, all members of the guide association everywhere across the world think of each other and of their commitment to international friendship and understanding. Each year on 22nd of February, girl guides and girl scouts all over the world to celebrate world thinking day. World thinking day was first created in 1926 at the fourth girl guide/girl scout international conference, held at girl scouts of the USA's camp Edith Macy.

Conference attendees decided that there should be a special day when girls scouts and girl guides all around the world think of each other and give thanks and appreciation to their 'sisters' girl guides and girl scouts. The delegates chose 22 February as the date for thinking day because it was the mutual birthday of Lord Baden – Powell, Founder of the boy scout movement, and his wife Olave, who served as world chief guide.
