

Chestnut and Willow

Drama Workshop

4th March 2016

Awbridge
Primary School

Chestnut and Willow classes both had a fantastic morning being superheroes. A lady from 'Perform' drama school came in and took us on an adventure to try and stop global warming. We had lots of fun whilst learning about recycling, reusing and reducing waste. The children were absolutely fantastic superheroes and the lady even mentioned what lovely, well behaved and enthusiastic classes they were.
